

Mountain Trek Explorer

Day 1

You depart Muscat and journey through the Hajar mountain range on one of Oman's best off-road trails. There are plenty of places to stop and admire the scenery en route. Once through the mountains you head to the summit of Jebal Shams. At some 3,000m it is Oman's highest peak and has some of the most breathtaking views from the top. Enjoy a late afternoon stroll around the rim of the canyon before settling down in the Jebal Shams Camp.

Day 2

Early risers can enjoy a picturesque walk to the abandoned village of As Sab on the top of the mountain. This walk is regarded as one of the most beautiful in Oman. On your return to the camp you have an early lunch and then have a short drive to your next walking location at Misfah al Breen. The walk takes you through the canyon and circumnavigates the massif, passing through two mountain hamlets before returning back to the date palm groves. Tonight you relax in the comfort of a 4* hotel in Nizwa.
